

# The Kalyug Chronicles

## ॥ अंतिम अध्याय ॥

# About Us

- The Coding Ninjas CUIET is Chitkara's top competitive programming organization. Coding Ninjas' motive is to: Aspire | Learn | Solve | Innovate. The organization arranges different types of events and hackathons to help students explore the ups and downs of the coding journey.
- The team at Coding Ninjas believes that everyone possesses a unique talent, and all they need are opportunities to enhance their skills and explore their potential. Coding Ninjas also provides sample opportunities for the students to engage in active learning and helps them build connections.
- The Coding Ninjas CUIET has various people working in different teams according to their skill set. The different teams from the club are: Organizing, Content, Graphics, Social Media, Outreach, Technical, Media, HR, Marketing & Logistics, Documentation.

# About The Event

- The Kalyug Chronicles: अंतम अध्याय; The murder mystery that began in Kalyug Chronicles: The Unsolved Crime remains unfinished. A year later, the darkness lingers, awaiting its final reckoning.
- Kali's disciple's death in Kalyug Chronicles: The Unsolved Crime left the detectives with unanswered questions. The mystery deepened, and now we're left on edge, eager to uncover the truth that still eludes them.
- This time, 35 teams—175 detectives in all—have been selected to take on Kali in his own game. Their mission: to outsmart and capture him, and finally unravel the mystery.
- Let's see who wins—Kali, or YOU? The battle begins!

# Pre-Event

- The shortlisted detective teams will report sharp at 9:00 AM at the venue (Alpha Zone) to collect their id cards (doc cards).
- The attendance will be marked and investigation resources will be provided.
- All teams must carry a laptop, earphones, calculator and a water bottle.
- All teams must remain active on The Kalyug Chronicles website for the updates and resources.

# Prizes and Rewards

- Only the sharpest minds will crack the case and claim victory. Exciting prizes and exclusive goodies await from Keventers, Coding Ninjas and Roadiez Koffeehouz. Outwit Kali, and these rewards will be yours to savor!
- The award categories are as follows:
  - a. Winners
  - b. Runner-Up
  - c. All Girls Team
  - d. Pinnacle Performer
  - e. Social Media Buzz
- Every participant will be given a can of Redbull accompanied by exclusive Roadiez Koffeehouz coupons, ensuring you stay energized as you dive deep into the mystery.

# Rules

- Each team will be assigned a team name to participate in this mega event.
- Each team will consist of 5 members, 3 from the Department of CSE and 2 from Chitkara Business School.
- Each team will be provided with an evidence file which consists of some important hints and files which will be followed ahead.
- With the completion of each round, you will be provided with further hints, which will direct you to the desired locations.
- The QR codes provided will contain hints from Kali. You do not have to scratch or harm the code, just scan and crack the hint.
- Each team will be provided with a fix number of credits and resources, which they must use wisely throughout the task.
- You must check the website and Kali's drive (will be provided at the beginning of the event) after every 15 minutes for further hints and for the leaderboard to stay updated throughout the event.
- The task sheet and credit sheet must be updated and signed at every location, in order to compile the results accordingly. Failing to do so will result in disqualification on the spot.
- Credits will be updated and signed only by the respective coordinators.
- Specific rules of each round will be stated at the respective checkpoints in the event.
- Decisions of the organizers will be considered final.
